

**5TH AUSTRALASIAN MYCOLOGICAL SOCIETY CONFERENCE, 28 SEPT. 2001  
CAIRNS, NORTH QUEENSLAND**

**UPDATE**

Plans are well underway for the AMS conference, with registrations and abstracts starting to roll in.

If you require further information on the conference, conference dinner or Cape Tribulation fungal foray, check out the AMS website <http://munchkinssoftware.com/mycology/> or contact the conference organiser, Ceri Pearce, at the Australian Tropical Mycology Research Centre Ltd, PO Box 312, Kuranda 4872 QLD, phone (07) 40930096 or email: [cpearce@tpgi.com.au](mailto:cpearce@tpgi.com.au). If you require information on the 13th Biennial Australasian Plant Pathology Society Conference to be held just prior to the AMS conference then check out their website [www.australasianplantpathologysociety.org.au/Cairns2001/Cairns.htm](http://www.australasianplantpathologysociety.org.au/Cairns2001/Cairns.htm) or email Suzanne denierS@dpi.qld.gov.au

Closing date for Conference Dinner registration	17 September 2001
Closing date for submission of conference papers/posters to <i>Australasian Mycologist</i> conference edition	28 September 2001

**LIBRARY NEWS**

Since the libraries inception late last year we have received a number of generous donations that have swelled our bookshelves. The AMS library would kindly like to acknowledge the recent donations of books and journals by Ann Bell and Dan Mahoney, Heino Lepp, Jack Simpson and Roger Hilton. We have also attained a journal exchange agreement with Kevin Hyde/Fungal Diversity Press for the journal *Fungal Diversity*. And we have attained a further journal exchange agreement for *Studies in Mycology*, and have received a large box of back issues from Andre Aproot and Walter Gams at the Centraalbureau voor Schimmelcultures.

Do you have any reprints, books or duplicate journals? We still have heaps of room on our bookshelves. The AMS library would be happy to accept any donated mycological resources.

For further information regarding loans or donations, please contact Ceri Pearce at Australian Tropical Mycology Research Centre Ltd, PO Box 312, Kuranda, Qld. 4872, phone (07) 40930096, or email [cpearce@tpgi.com.au](mailto:cpearce@tpgi.com.au).
